VERBATORIA

Our Work

Verbatoria

ABOUT COMPANY

Over 85% of parents are mistaken about their children's talents. As a result, children end up developing skills that aren't aligned with what they were born to do!

Based on our neuro-feedback technology, we will be able to precisely evaluate your child's Talent Quotient (TQ) in Math and Logic, Music, Sports and Crafts, Languages and Creativity so you know what they were always destined to be!

PROJECT SPECIFICATION

Platform Used: Wordpress

WordPress (WP, WordPress.org) is an open-source content management system (CMS) written in PHP and paired with a MySQL or MariaDB database. Features include a plugin architecture and a template system, referred to within WordPress as Themes.

The objective of this project is to build a website that helps parents and educational institutions fully recognize the potential of their children. With the help of our specialized Talent Quotient (TQ) method, we wish to see more people do what they were born to do!

Verbatoria is dedicated to furthering the understanding of how a person's inborn talents influence their education and career path.

CODX RESPONSIBILITIES FOR VERBATORIA

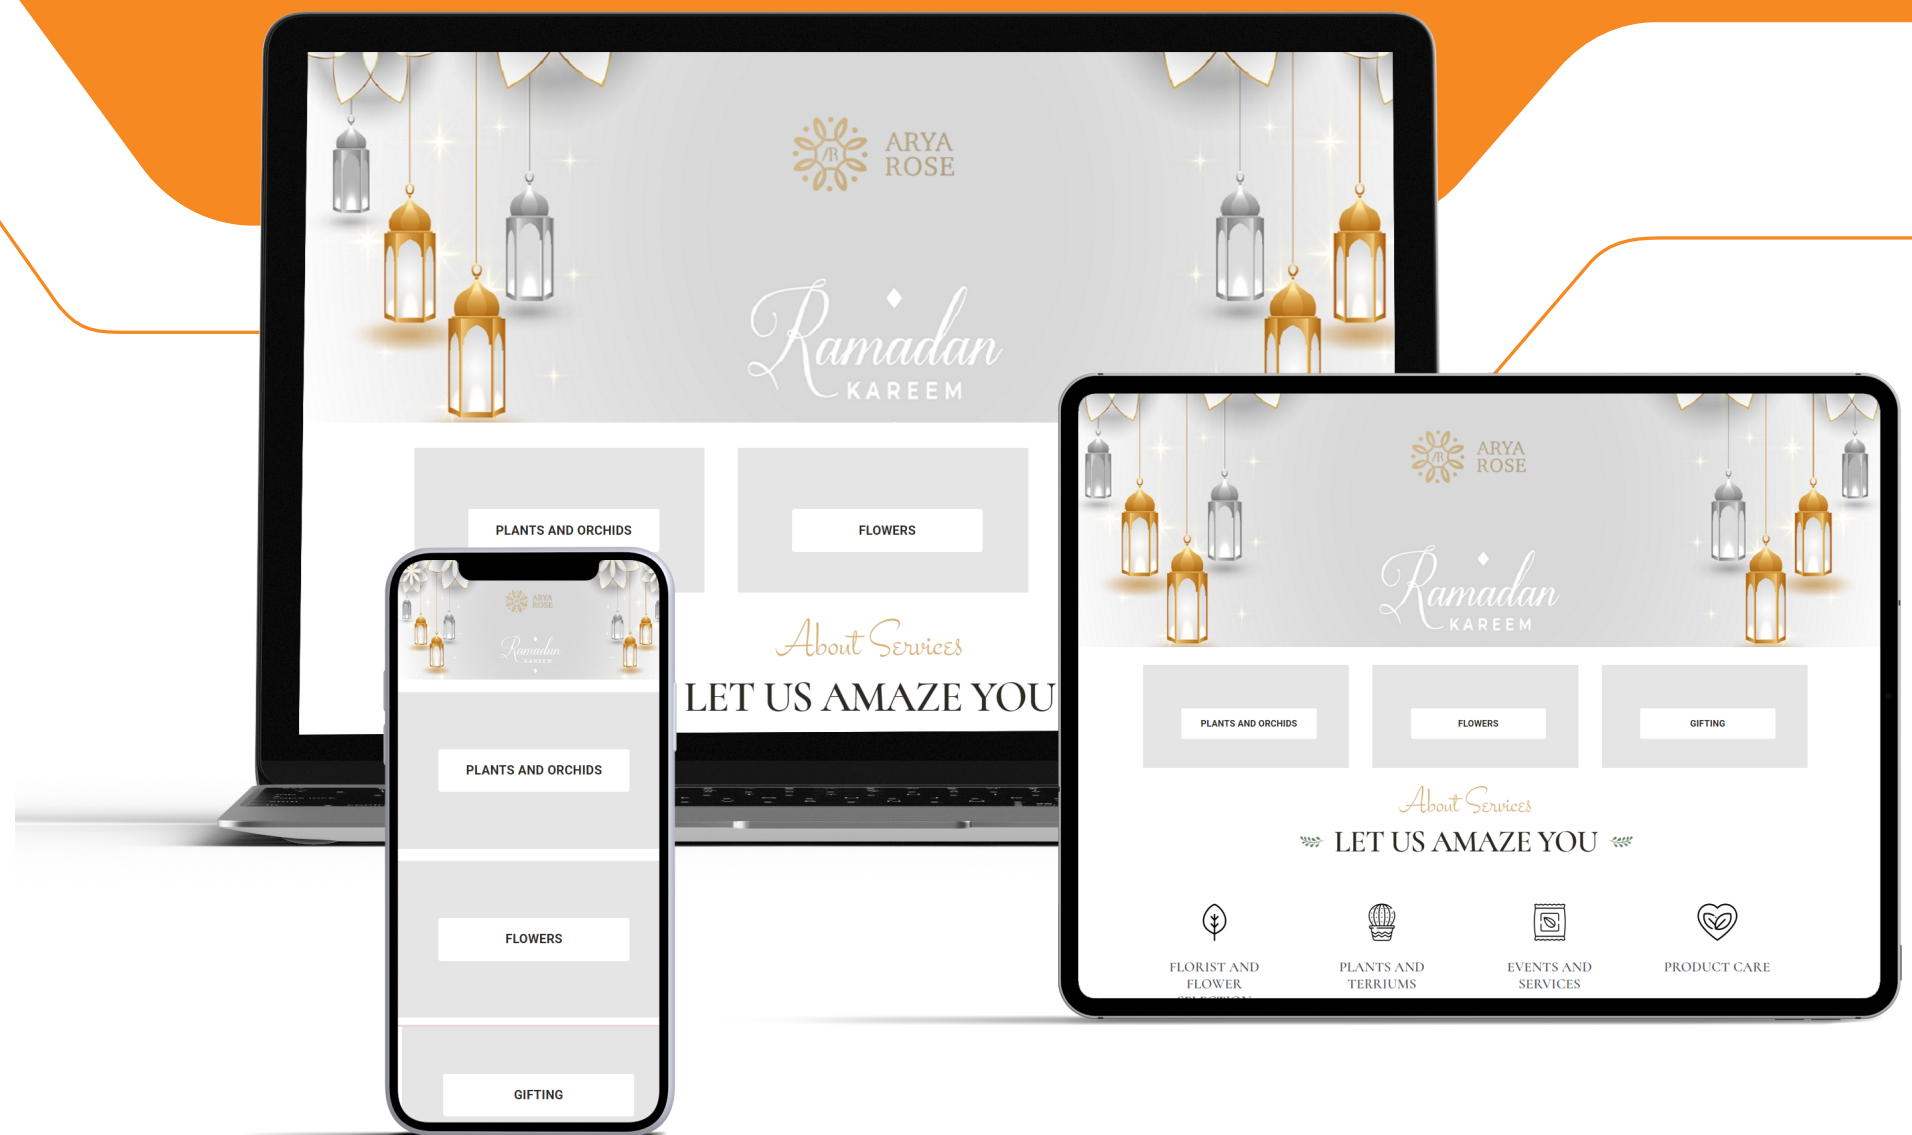

Our team understands business needs, strategies, and compliance requirements, and uses the latest technologies and standards to deliver customized solutions. Codx is Handling SEO, SMO, SMM along with Website Development.

OUR CLIENTS ABOUT US

Codx provided us with an excellent professional service tailored specifically to our needs. They showed great attention to detail and delivered for us exactly what we were looking for.

- Raed Jamal
GM, Marriot Group

We recently worked with Codx team to get our brand new website. It is fantastic. We loved working with them, they were really communicative and made sure we were always in the loop.

- AlHarath Bin Sama
Managing Director, Arya Rose

We have worked with quite a few other agencies and there's a night and day difference with CODX Softwares. It's not easy to understand our niche space, but they really get it. And it shows, our results have been outstanding.

- Bobby Purshota
Managing Director, HAAB Accounting

I had a fantastic experience working with CODX Softwares. They are great experts in creating the most appealing websites for you. The Digital Marketing team is all affluent with the latest marketing techniques. They deliver what they promise and there is no looking back. I got the perfect delivery of my projects.

- Abdullah
CEO & Owner, Grasse Perfume

OUR TEAM

We at CODX Softwares believe in teamwork. With every new day, the quest for acquiring new competencies continues. Forever searching, experimenting, innovating, learning, moving ahead with our sincere efforts and dedication, shaping the future, and challenging our competencies to create new opportunities, is a never-ending process in the company.
